## CUMBRIA STEAM GATHERING 2019

www.steamgathering.org.uk  
CARK AIRFIELD, FLOOKBURGH LA11 7LS  
27th/28th July 2019

Dear Enthusiast,

On behalf of the Society, may I extend a cordial invitation to you to submit an entry in one or more of the Scheduled List of Classes (see overleaf). As in previous years a professional security guard will be mounted throughout the event.

The Event is authorised by the National Traction Engine Trust and will be subject to their Code of Practice.

Due to the popularity of the event, it has become necessary to restrict the size of the classes. Selection of exhibits will be carried out on a first come basis and if classes are over-subscribed, a selection committee will ensure the greatest variety of exhibits.

Expenses are as itemised overleaf on the Scheduled List of Classes and will only be paid to exhibitors appearing on both days of the Event and whose exhibits are catalogued; the expenses and commemorative memento will be available after 17.00hrs on Sunday. Please ensure that you select the appropriate class.

Exhibits not appearing on both days of the event and not on display from 10.00hrs until 17.00 hours will be excluded from next years event. All exhibits in classes marked \* overleaf are to parade in the arena with the exhibitor dressed in the appropriate costume for the exhibit.

A panel of judges will make an assessment of the exhibits from 10.00hrs on Saturday and awards and trophies will be presented to the most meritorious entries.

**CAMPING:-** If any exhibitor wishes to have visitors camping with them on the exhibitors camp site they must apply, in writing, at the time of making their entries for their guest passes etc. This is the only time that consideration will be given to visitors accompanying exhibitors on the camping site.

The cost for visitors will be £25.00 per unit – entrance fees £20.00 per adult, children £8.00 (ages 5 to 16), under 5s free. Family ticket (2 adults + up to 3 children) £48.00 for the weekend.

Because of Insurance restrictions no exhibitors or visitors are permitted to camp on the rally field or campsite until noon on Thursday 26th July. Please ensure you make alternative arrangements if you were proposing to arrive before 26th July.

The Organisers reserves the right to reclassify the entry forms and also to return unacceptable entries together with the reason for rejection.

Please return the completed entry form as soon as possible to aid the processing of the forms.

The closing date for exhibit entries is  
31st MARCH

Current and proposed legislation means that in some areas changes have had to be made and all exhibitors are encouraged to familiarise themselves any changes relevant to themselves and their exhibits. (i.e. Road Traffic Act, Electricity at Work Regulations, Driving Licenses, Insurances, Vehicle Licenses, Towing Regulations etc.)

**IMPORTANT NOTICE** - In the interest of safety, the riding of motorcycles, tractors or any other mechanically or electrically propelled machine by under-aged, unlicensed or uninsured persons will not be tolerated at any time on the event site.

Any under-aged or uninsured driver/rider, together with their accompanying responsible party, will, without question or exception, be excluded from the event.

Cycling by any person, other than identified stewards is prohibited.

We look forward to meeting you at Flookburgh for the Cumbria Steam Gathering 2019.

Yours faithfully,

Steve Morris  
Field Manager / Entries Secretary
