26<sup>th</sup> & 27<sup>th</sup> July 2025

Dear enthusiast

On behalf of the Society, may I extend a cordial invitation to submit an entry in one or more of the scheduled list of classes.

A panel of judges will make an assessment of the exhibits from 10.00 on Saturday and trophies will be presented to the most meritorious entries.

Camping: we are extremely grateful to those exhibitors who, by their contributions, have helped to offset the costs of providing services necessary for the running of the Steam Gathering over recent years, details of arrangements for those who wish to stay with us for this year are to be found on the entry form.

There will be no access to the rally field before 12 noon on Thursday July 24<sup>th</sup>, please make alternative arrangements if you were proposing to arrive before that date/time.

The organisers reserve the right to reclassify the entry forms and also to return unacceptable entries together with the reason for rejection.

Please return your entry forms as soon as possible.

The closing date for entries is April 30<sup>th</sup> 2025.

We look forward to meeting you at Flookburgh for the Cumbria Steam Gathering 2025.

Yours faithfully

Steve Morris
